What is NYLT?

National Youth Leadership Training (NYLT) is an exciting, action-packed program designed to provide youth members with the leadership skills and experience they can use in their home troops and in other situations demanding leadership of self and others.

NYLT is a six-day course. Content is delivered in a troop and patrol outdoor setting with an emphasis on the immediate application of learning in a fun environment. Interconnecting concepts and work processes are introduced early, built upon, and aided by the use of memory aids, which allows participants to understand and employ the leadership skills much faster.
